e. Nationality of vessel, i.e. flag;
f. Port of Registry;
g. Certificate of Registry Number;
h. IMO Number;
i. Gross Tonnage ) When a vessel has dual registered tonnages,
j. Net Tonnage ) the higher tonnage should be declared,
k. Name of vessel owner;
l. Country of vessel owner;
m. Name of master;
n. Name of Shipping Line;
o. Deadweight capacity in summer salt water;
p. Name, address & telephone number of shipping agent;
q. Agent’s account number ie credit account with MPA;
r. Purpose of entering port, if taking bunkers state quantity and grade;
s. Charterer;
t. Arrival from;
u. Date & time of arrival;
w. Position in port;
x. Total cargo;
y. Number of passengers;
z. Date of declaration and signature of master or agent, with stamp.

2 Documents to be Submitted

Two copies of the completed General Declaration together with the following documents must be submitted to OSDC immediately:

a. Original Port Clearance of last port of call;
b. Certificate of Insurance in respect of Civil Liability for Oil Pollution Damage (CLC 92). This applies to a vessel carrying in bulk a cargo of more than 2,000 tonnes of persistent oil;
c. IMO Certificate of Fitness for LNG/LPG and vessels carrying dangerous chemicals in bulk.
3 Assignment of GDV Number

On receipt of these documents, OSDC will allot a GDV Number (General Declaration of Vessel Number) which is to be stamped on all copies of the General Declaration.

4 Retention of General Declaration for Arrival of Vessel

A copy of the General Declaration for arrival of vessel (other than the original copy of the General Declaration) will be returned to the shipping agent for his retention.
SECTION 2 – GENERAL DECLARATION OF A VESSEL'S DEPARTURE

1. Requirements on Departure

Prior to departure of a vessel, the owner, agent or master is also required to raise the General Declaration in 2 copies. All the details required in the General Declaration must be completed. The date of the vessel's departure should be indicated.

2. GDV Number

The owner, agent or master must fill in the GDV number which was earlier assigned to the vessel on arrival, on the General Declaration for departure. In other words, the GDV number for each vessel is the same for her arrival as well as for her departure for that particular call.

3. Documents to be Submitted

The following documents are required to be produced at MPA's One-Stop Document Centre (OSDC):

a. 2 copies of the General Declaration for departure duly completed;
b. Certificate of Registry;
c. Load Line Certificate;
d. Passenger Ship Safety Certificate (for passenger vessel only);
e. Cargo Ship Safety Construction Certificate;
f. Cargo Ship Safety Equipment Certificate*;
g. Cargo Ship Safety Radio Certificate;
h. Certificate of Insurance or other Financial Security in respect of Civil Liability for Oil Pollution Damage (CLC 92). This applies to a vessel carrying in bulk a cargo of more than 2,000 tonnes of persistent oil;

k. Passenger List, if applicable (in duplicate);
l. International Oil Pollution Prevention (IOPP) Certificate with approved Shipboard Oil Pollution Emergency Plan (SOPEP) and if applicable, compliance with Regulation 13G and 13H of Annex I to MARPOL 73/78;
m. International Tonnage Certificate (ITC69);
n. Certificate of Insurance for passenger vessel;
o. International Safety Management (ISM) Code with approved Document of Compliance (DOC) and Safety Management Certificate (SMC);
q. International Air Pollution Prevention Certificate
r. International Sewage Pollution Prevention Certificate

* For a heavy-lift vessel loading an oil rig and with large number of riding crew from the oil rig at the time of departure, the total number of persons onboard must not exceed the total number of life-saving appliances stipulated in the Safety Equipment Certificate of the heavy-lift vessel. In such a case, a dispensation from the flag state of the heavy-lift vessel is required.
The originals of the aforesaid vessel's certificates will be inspected and returned to the agent. In the absence of such original certificates, MPA will accept their certified true copies duly certified by the proper issuing Authorities. The aforesaid statutory and mandatory certificates of the vessel shall be in force when the vessel proceeds to sea.

4. **Manning Requirement**

For a Singapore-registered vessel, the vessel's manning shall be subjected to the safe manning check of the Shipping Division of MPA (For enquiries please call tel: 6375 6224).

5. **Issuance of Port Clearance Certificate**

A Port Clearance Certificate will be issued to the vessel when the above requirements have been satisfactorily complied with and port dues payable by the vessel to MPA is settled. The agent should ensure that his vessel's documents have been returned to him before leaving the counter at OSDC.

Note: Section 46(1) of the MPA Act (Cap.170A) requires that no vessel shall leave the port without the owner, agent or master obtaining port clearance from the Port Master.

6. **Vessel to Leave Port within 48 hours**

Section 47(1) of the MPA Act (Cap.170A) states that the owner, agent or master of any vessel which fails to leave port within 48 hours or such shorter period as may be specified by the Port Master, after obtaining the port clearance, shall within 6 hours after the expiry of the 48 hours or such shorter period specified by the Port Master, return to the Port Master the port clearance issued, and if so required, obtain a fresh port clearance.

7. **Vessel that will not be granted Port Clearance**

The following vessels will not be cleared:

- a. Vessels arrested by the Sheriff of the High Court;
- b. Vessels detained for non-compliance with provisions of the MPA Act (Cap.170A) or any other written laws; or
- c. Vessels whose owners or masters have not complied with or have been charged with an offence under any of the provisions of the MPA Act (Cap.170A) or any other written laws.
SECTION 3 – ELECTRONIC PORT CLEARANCE SCHEME

For the convenience of the Shipping Community, Port Clearance formalities for vessels can be carried out at the offices of shipping agencies by using Electronic Port Clearance (EPC) via MARINET.

With effect from 1 Aug 2006, EPC users will be able to apply and obtain Port Clearance for vessels by undertaking and declaring that these vessels are properly crewed and possess valid certificates and documents. With this undertaking, EPC users need not present the original certificates for inspection at MPA’s One-Stop Document Centre before the vessel’s departure.

To apply for the use of the EPC Scheme, please complete and submit the Application Form under Appendix 2 to MPA.

SECTION 4 – CREATION OF VESSEL RECORD

To facilitate the submission of General Declarations through MARINET for vessels either calling for the first time or have been renamed since their last visit, please complete and submit the Application Form under Appendix 3 to MPA.
