

If your family has dreamed of owning a high quality cuddy cabin, dream no more.

215

Chaparral's 215 SSi is going to expand your sense of adventure. Rest assured, life on the water will never be the same. Grab some zzzzzzs, beat the heat or stow oversized items in a cuddy cabin that will surprise you with a feeling of spaciousness unexpected at this length. An impressive 44" of sit-up cabin headroom is a plus. Enjoy refreshing ventilation and cabin illumination via the bi-fold cabin doors, side ports and screened deck hatch. An optional Explorer Package is available and you can modify the standard interior to include an optional port bucket seat or high/low pedestal.

STEP-THRU WINDSHIELD

Molded dash steps, a walk-thru center opening windshield and a wraparound bow rail make deck access easy.

DOUBLE WIDE CABIN ENTRY

A lockable bi-fold, double wide entry door makes it convenient to get in and out of the cabin or enjoy conversation with passengers seated in the cockpit.

TRANSOM STORAGE

The transom area features a hinged lockable storage trunk, walk-thru transom cockpit access, a hideaway three step stainless steel ladder with grab rail and a standard extended swim platform with non-skid.

MAIN CABIN

In the cabin you'll enjoy overnight provisions for two, mood-setting lighting, plush pile carpet, a hideaway porta pottie and backrest cushions with shelf storage.

HELM STATION

The split area, glare resistant fiberglass helm includes full instrumentation, constant light accessory switches and can be equipped with an optional compass and depth gauge.

COCKPIT GALLEY

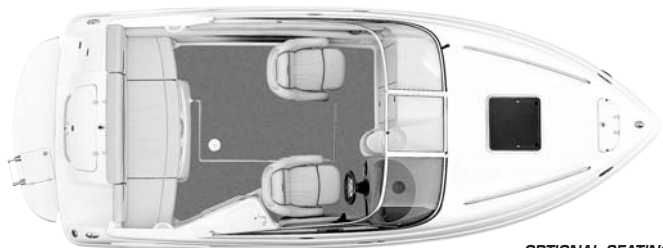

The cockpit galley features a manual pump pressurized water system, stainless grab handle, 12-volt outlet and counter top space. A portable 25-quart cooler stores out of the way under the galley.

IN-FLOOR SKI LOCKER

The floor locker has a hinged lid, drain, a rubber backed mat and is more than wide enough for wakeboards, skis and accessories.
